

SunForce Plant Minerals

Pure Trace Minerals with Fulvic and Humic Acid

75 Plant-Derived Colloidal Minerals

Hydrophilic plant minerals are 100% water-soluble, naturally extracted with only pure water, offering greater absorption than minerals still in their raw metal form.

Product Features

- Boosts energy level and increases mental clarity
- Improves the body's alkalinity
- Relieves arthritis symptoms and improves blood sugar levels in diabetics
- Stimulates anti-aging cellular rejuvenation, and may reverse the effects of graying hair and early cataracts
- Helps minimize general aches and pains and improves overall well-being
- Certified Kosher, has a negative zeta potential (electrical charge), and known to be the most beneficial for anything consumable or absorbable
- Provides more trace minerals, fulvic acids and electrolytes than achieved from eating six months of fruits and vegetables

Unit Size:	60 vegetable capsules
Serving Size:	2 capsules daily
Servings / Unit:	30 servings per container
Units to a Case:	12
